**NOTICE OF DRAINAGE PROJECT ON  
FLOWER VALLEY DRIVE**

Dear Resident:

This letter is to inform you of the upcoming drainage improvement project in your neighborhood. The Montgomery County Department of Transportation's (DOT) Division of Highway Services (DHS) will be managing the project, which will consist of replacing the failing storm drainage pipe in the county right-of-way located at 4500 Flower Valley Drive.

The work will be performed under contract by D & F Construction Co., Inc. and will include: Removing the existing aged reinforced concrete (RCP) pipe, replacing with a new High-Density Polyethylene (HDPE) pipe to restore proper drainage. The improvement includes replacing the existing storm drain manhole structure. The county right-of-way in front of your residence may be disturbed by the planned project improvements. Any disturbed areas will be restored directly after the storm drain repairs and during construction activities.

This project is scheduled to start on or about August 12, 2013, and will require approximately seven days to complete, weather permitting. Work hours are from 7 a.m. to 5 p.m. Parking will be restricted within the work zone during daily construction activities. We apologize for any inconvenience this project may cause and appreciate your patience during the construction activity. If you should have any further questions or comments, you may wish to contact:

Project Contractor:	D & F Construction Co., Inc.	301-990-0008
